

Networking AccuRIP

One copy of AccuRIP is all you need to print from all your computers.

[AccuRIP](#) [1] is a network RIP. **One copy of AccuRIP is all you need to print from all your computers.** Setup AccuRIP on one computer and share the AccuRIP print driver.

- From Windows "Printer and Faxes" Control Panel (right click and "share" the AccuRIP driver.
- From Mac "System Preferences" select "Share" and turn on "Share Printers").

There's no need to load software on other computers in your network; those users just choose AccuRIP as a network shared printer and print.
